## CLAY LIME PLASTER - RAMMED EARTH

Honouring the organic beauty and timeless craft of natural earth construction.

Rammed Earth is a distinctive Clay Lime Plaster finish that captures the raw beauty and natural character of the traditional building method. Hand-applied by skilled artisans, each installation becomes a unique composition of form and colour, offering aesthetics that range from soft and serene to bold and expressive.

Clay Lime Plaster is a naturally sustainable material, consciously created for beautiful matte stone surface finishes whilst minimising environmental impact.
